### Michele Beaugrand

### Janome Educator

Join Michele as she shows you what makes the Quilt Maker MC15000 and MC6700P Professional so special.

Michele has been in the sewing industry for over 15 years teaching machine, software, and project classes. She excels at machine embroidery with a focus on quilting in the hoop. "Michele is a very versatile sewist, with experience in quilting, embroidery, dressmaking and paper crafting and blending these techniques to make one-of-a-kind projects."
