

Whitlock's Weekly Whimsy

Week 13

Block 5

Cutting:

<i>Fabric</i>	<i>Measurements</i>
Color 2	4 @ 2 x 2
Color 6	8 @ 2 x 2
Color 7	4 @ 2 x 2
Color 10	4 @ 2 x 3 ½
Color 11	4 @ 2 x 3 ½

Techniques:

Flying Geese
Parallelograms

Sewing:

This block looks way more complicated than it is!
All you need are 4 geese units and 4 parallelogram units. You have this!

Begin by drawing a diagonal line on all of the 2" squares.

We are going to build both units at the same time. You will need both color rectangles. Position Color 10 horizontally and Color 11 vertically, as shown below

Geese

Parallelograms

Place Color 6 squares RST on the rectangles with the drawn line going from the Top Right to the Bottom Left. Sew just outside the line. Pressing: the Goose unit press towards Color 6 and the parallelogram towards Color 11. Trim the back two layers.

Adding the second triangle:

For the goose unit add Color 2 with the drawn line running from Top Left to Bottom Right. Press towards Color 2.

For the parallelogram add Color 7 with the drawn line going Top Right to Bottom Left. Press towards Color 7

Build your quadrants (they are all the same). Press towards the parallelogram units. Notice the two Color 6 corners are forming an extra Goose unit! Make 4

Sew the quadrants together to form your block. Spin the center seam.
