#### Block Breakdown:

You have been working hard, so let's have an easy one this week. The only decision to make on this one is whether to use 2" squares to make your 4-patch units or strip quilt them! If you are making the scrappy version, you might want to cut squares; otherwise strip quilting is just a bit faster.

#### Sewing:

We will begin with the HST. Use the 4" squares to make these. Press towards Color 1. Trim to 3 ½.

Next are the 4-patches. If you are strip quilting, layer the 8 ½ strips RST and sew the long edge. Press toward Color 11.

Fold this in half lengthwise and cut in half. You now have two pieces that are 3 ½ x 4 ¼. Layer RST nesting the seam. Cut into 2 x 3 ½ strips. Sew. Spin the center seam when pressing.

You have everything you need to build your block! Easy Peasy!

Sew into pairs and press towards the 4-patch unit.
