Techniques:

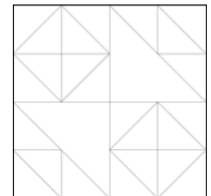

HST
Magic 8 HST

Block Breakdown:

Nothing new with this block. Magic 8 HST and a couple of extra HSTs. We haven't done pieced corners in a while, but you are professionals at this point!

Sewing:

You need to start with the HSTs. You will need 10 of them I like the Magic 8 method, but use whichever method you like. Press towards the dark. Trim to 2"

Build two quadrants.

Use the last two HST and Color 8- 2 3/8 x 2 3/8 cut diagonally to make your pieced corner unit. Finish it off with Color 3 triangles. Press towards color 3. Now you have your last two quadrants.
